

The Cemetery Directory Project

Guymon Leadership 2010 has an outstanding project this year that they have chosen. This project consists of putting together a directory for the Guymon Cemetery. This directory would be kept up to date by this Leadership Class and the help from the Funeral Homes in our area. From the research that has taken place, we have found that we have some unmarked graves, so additional data will be collected. Also, the total cost for the gazebo and the unit to hold the directory is \$10,000.00. We hope to raise this money with donations from local residents and businesses.

You know your valuable contribution is being used effectively. Guymon Leadership is dedicated to putting all of the funding towards this project and enhancing our community.

Please make check payable to Guymon Community Enrichment Foundation - "The Cemetery Directory Project".

Guymon Community Enrichment Foundation will be glad to give you a receipt for your Tax-deductible donation. They can provide you a letter of their 501-3C upon request for your tax-deduction.

Please cut bottom portion for your kind donation.
